

# West Bengal Snehaloy Housing Scheme

West Bengal Chief Minister Mamata Banerjee started a new housing scheme in the state during a rally name WB Snehaloy Prakaalpa Housing Scheme, under this scheme state government provide Rs. 1.20 lakhs to each to built the home, people who do not have their own houses due to their poor and weak economic condition can apply under this scheme. Online applications of West Bengal Housing Scheme will be accepted through the Didi ke Bolo portal. The main to start this scheme is to provide homes to everyone in the state so, state government provide loans in this direction. Interested applicant can apply for this scheme through the didi ke bolo portal.

## Objective

- To present a pucca dwelling housing unit to individuals not proudly owning pucca home in his or her title or within the title of any member of the family in West Bengal.
- The scheme helps these economically backward individuals who don't qualify for the state authorities's current housing scheme – Bangle Awas Yojana.

## Eligibility

- Applicants who are going to apply must be a permanent resident of West Bengal State
- Only those applicants are eligible who have completed their registration on the Didi Ke Bolo portal
- Applicants who are going to apply must belong to BPL category
- Beneficiaries have to prove that they don't have their own house then they are eligible for this scheme

## Benefits

Availability of Homes: - The main benefits of the scheme is the availability of house for the people who are needy and are not able to afford their own house.

Financial help provider: - This scheme is totally sponsored by West Bengal Government. Each beneficiary will get handsome amount of money from the government in two equal installment to own the home.

Number of beneficiaries: - There are total 25,000 beneficiaries who will get the house under this scheme.

Digital currency: - This scheme will be registered under "Didike bolo" portal and all the formalities will be done in the portal related to documents and payments. So this scheme also helps to digitalize the economy.
