

Uttarakhand Vaishnavi Suraksha Yojana 2021

To improve the sex ratio in the Uttarakhand state, govt. has started a new Vaishnavi Suraksha Yojana. This scheme has been launched under the central govt's Beti Bachao Beti Padhao Campaign. The UK state govt's Women and Children Welfare Department will implement this scheme for girl children. All the infants particularly girls born in BPL family can avail scheme benefits. Pregnant ladies on giving birth to a girl children will get Vaishnavi Suraksha Kits.

Along with Vaishnavi kits, a new Vaishnavi Toll Free Number is going to be launched to enable mothers to send information of their newborn girls to the government. On getting the information about newborn girl child, govt. will also provide vaccination / immunization and other health services. Under the Vaishnavi Suraksha Yojana, the family of beneficiary will be given Vaishnavi card which will be linked to various existing schemes. Apart from this, the parents will get insurance cover under the same scheme.

Salient Features of Vaishnavi Suraksha Yojana

Below some provision which have been made under the scheme to provide relief at time of birth of a new baby.

- The beneficiary will get assistance from nearby government hospital or the ANM and Anganwadi workers within 24 hours.
- The Women and Child Development Department will release the toll-free number on which family members can send their selfies with new born daughter.
- The Chief Minister and the Departmental Minister will reach on the phone to congratulate the beneficiary family.
- Moreover, an Anganwadi worker will then give a Vaishnavi kit and new clothes to the beneficiary family.

As per notification, arrangements will be made to tackle the problems of the neonatal vaccination. Upon calling the toll-free number the doctor or ANM will reach to the beneficiary as soon as possible. All the contours of the scheme have been finalized and it will be officially launched very soon.
